PINOT NOIR ROSÉ

LIMITED
RELEASE

Cool

CALIFORNIA

California's diverse landscape provides plenty of cool climate locales for this delicate grape to grow and it is commonly planted in coastal regions or valleys where cool Pacific breezes and morning fog moderate the temperature. California Pinot Noir is known for vibrant red fruit flavours and bright acidity, making it a popular choice for rosé production throughout the state.

Premium

PINOT NOIR ROSÉ

Delicate aromas of red berries, melon and rose petal. Bright acidity and tangerine undertones accentuate the strawberry, raspberry, and watermelon flavours of this crisp and refreshing rosé, while a light mineral note adds depth. Serve chilled.

FOOD PAIRING

An incredibly food-friendly wine, the lightness and fruit flavours make it a great option for everything from sushi to barbecue. Try with roasted chicken, creamy pasta dishes, quiche with asparagus and gouda, or chicken tacos.

ALCOHOL: 12%
